BS in TIM 4 Year Guideline

This is a list of milestones we recommend students achieve each academic year.

**Year 1**
1. Complete all foundations requirements
   - TIM major specific courses: Calculus (FQ) & TIM 102
2. Start on diversification requirements
   - TIM major specific course: ECON 130
3. Start on Hawaiian/Second Language (HSL) requirement
4. Complete Hawaiian/Asian/Pacific issues (HAP) course requirement
5. Complete TIM 100

**Year 2**
1. Complete diversification requirement
   - TIM major specific course: COMG 151/251
2. Complete HSL requirement
3. Complete at least one (1) writing intensive (WI) course
4. Complete TIM lower division courses

**SUMMER BEFORE YEAR 3:**
- You should start a 400-hour internship by this point

**Year 3**
1. Complete Ethical Issues (ETH) course requirement
   - Can complete through TIM 301
2. Complete at least two (2) WI courses
3. Complete TIM upper division (UD) major core courses
4. Complete TIM 200

**SUMMER BEFORE YEAR 4:**
- You should start a 400-hour internship by this point

**Year 4**
1. Complete Oral Communication (OC) course requirement
2. Complete two (2) UD WI courses
   - Can complete one (1) UD WI through TIM 431
3. Complete TIM emphasis courses
4. Complete TIM 300

We recommend students take approximately five (5) classes or 15 credits per fall and spring semester to graduate in four years.
