This Summer II 2023 ACC 210 Introduction to Accounting II class is taught in person. It is not a self-paced course. Students are expected to be prepared for class, attend all classes and actively participate while in class.

***IMPORTANT*** ACC 210 requires you to have reliable access to a computer and connection to the internet so that you can use Laulima to complete certain graded assignments.

Also, using a tablet, laptop, etc. during class for class-related work is fine. However, using it during class for non-class-related activities, such as working on assignments from other classes, clearly violates the intent and spirit of attending class and is considered unprofessional behavior.

COURSE DESCRIPTION
Introduction to managerial and financial accounting and methods used to record and report managerial and financial information to decision makers internal and external to the firm. Part II. Pre: ACC 200 completed with a C- grade or better.

This course uses lectures, in-class practice problems, online assignments and exams (they are closed-book/no notes/no electronic devices) to reinforce the learning and application of various financial accounting topics/concepts and to evaluate the student mastery of them. Also, they provide students with the opportunity to display and enhance their critical thinking skills.

COURSE OBJECTIVES
To give students an understanding of the basic financial reporting principles as they relate to corporations, including the study of the accounting cycle, financial statement preparation and analysis and methods of reporting assets, liabilities and stockholders’ equity.

STUDENT LEARNING OBJECTIVES (‘SLO’)
SLO are posted in Laulima.

REGISTRATION AND WITHDRAWAL DATES
07/07/2023: last day to register and last day to receive 100% tuition refund; and  
07/13/2023: last day to receive 50% tuition refund and last day to drop (No "W" on transcript).

Should you have any questions about your registration, enrollment and/or withdrawing from this class please contact your academic advisor and/or the Undergraduate Office of Student Academic Service (“OSAS”), Shidler College of Business B101.
TEACHING PHILOSOPHY and FOCUS
The instructor considers interaction with and among students as being a necessary and vital part in achieving the objectives of the course. The following proverb epitomizes this teaching philosophy:

Tell me, I'll forget; Show me, I may remember; Involve me, I'll understand.

With the above in mind, I have planned this course for you to take the initiative and for you to make the commitment to prepare for class and to complete the required assignments. Please let me know if you would like help with preparing for class and/or completing assignments.

Words of Encouragement - I truly believe that learning accounting is similar to learning a new language; thus, the more times and ways we practice it the better we will get to know and understand it. Yes, learning a new language takes time and effort so please be patient, trust yourself and you’ll get there.

TEXTBOOK
Financial & Managerial Accounting, 9th Ed including Connect;
Publisher: McGraw Hill; Authors: Wild, John J. and Shaw, Ken W.
ISBN – please contact the UH Bookstore.

The textbook will be referred to and used extensively throughout the semester; thus, you are expected to obtain an e-book (or printed) copy for this class. Note: The textbook is an ideal study guide/resource to use to prepare for class, online assignments and exams.

Also, you are expected to register for Connect Financial & Managerial Accounting, 9th Ed. Instructions for Connect can be found in Laulima. Connect is for you to use to complete your on-line assignments (homework and SmartBooks). Also, it has various study aides that you may find helpful.

Bookstore’s Interactive Digital Access Program
This course will be participating in the bookstore’s Interactive Digital Access Program (“IDAP”). Through this program, you will access your course material digitally, and it will be available to you by the first day of class.

A charge for the digital course material through IDAP will be added to your MyUH account. You have the option to opt-out of receiving your course material through IDAP. By opting-out, you will lose access to the course material and the charge will be refunded on your MyUH account. If you do not opt-out, the charge will stay on your MyUH account. Any unpaid charges on your MyUH account will turn into a hold. Holds on your account will prevent you from accessing various services within the University.

***IMPORTANT*** If you have any questions about IDAP, especially if you will be opting-out of IDAP (there is a deadline), or this charge to your student account, please contact the UH Bookstore.
