

International Business Electives

All students in Shidler College of Business must complete at least one upper-division course in international business. The following is a list of courses which meet the international business requirement. **This course may be used as an approved elective in a student's major or used as an upper-division elective.** Students may also petition to have other relevant International Business courses meet this requirement.

NOTE: Business Core courses (e.g. Bus 345) cannot be used to fulfill the international business requirement.

NOTE: Students who plan to double major in International Business should refer to the International Business Major Flyer.
