This Summer II 2024 ACC 210 Introduction to Accounting II class is taught in person. It is not a self-paced course. Students are expected to prepare for all classes, attend all classes and actively participate while in class.

*****IMPORTANT*** ACC 210 requires you to have reliable access to a computer and connection to the internet so that you can completed all of your on-line assignments.**

Also, using a phone, tablet, laptop, etc. during class for class-related work is fine. However, using it during class for non-class-related activities, such as texting, surfing the internet, working on assignments from other classes, clearly violates the intent and spirit of attending class and is considered unprofessional behavior.

COURSE DESCRIPTION

Introduction to managerial and financial accounting and methods used to record and report managerial and financial information to decision makers internal and external to the firm. Part II. Pre: ACC 200 completed with a C- grade or better.

This course uses lectures, in-class practice problems, online assignments and **exams (they are closed-book/no notes/no electronic devices)** to reinforce the learning and application of various financial accounting topics/concepts and to evaluate the student mastery of them. Also, they provide students with the opportunity to display and enhance their critical thinking skills.

COURSE OBJECTIVES

To give students an understanding of the basic financial reporting principles as they relate to corporations, including the study of the accounting cycle, financial statement preparation and analysis and methods of reporting assets, liabilities and stockholders' equity.

STUDENT LEARNING OBJECTIVES ("SLO")

SLO are posted in Lulima.

07/02/2024: last day to register and last day to receive 100% tuition refund; and

07/08/2024: last day to receive 50% tuition refund and last day to drop (No "W" on transcript).

TEACHING PHILOSOPHY and FOCUS

The instructor considers interaction with and among students as being a necessary and vital part in achieving the objectives of the course. The following proverb epitomizes this teaching philosophy:

Tell me, I'll forget; Show me, I may remember; Involve me, I'll understand.

With the above in mind, I have planned this course for you to take the initiative and for you to make the commitment to prepare for all classes, attend all classes and to complete all the required assignments.

Words of Encouragement - I truly believe that learning accounting is similar to learning a new language; thus, the more times and ways we practice it the better we will get to know and understand it. Yes, learning a new language takes time and effort so *please be patient, trust yourself and you'll get there.*

TEXTBOOK

Financial & Managerial Accounting, 9th Ed including Connect;
Publisher: McGraw Hill; Authors: Wild, John J. and Shaw, Ken W.
ISBN – please contact the UH Bookstore.

The textbook will be referred to and used extensively throughout the semester; thus, you are **expected to obtain an e-book (or printed) copy for this class.** Note: The textbook is an ideal study guide/resource to use to prepare for class, online assignments and exams.

Also, you are **expected to register for Connect Financial & Managerial Accounting, 9th Ed.** Instructions for Connect can be found in Laulima. Connect is for you to use to complete your on-line assignments (homework and SmartBooks). Also, it has various study aides that you may find helpful.

Bookstore's Interactive Digital Access Program

This course will be participating in the bookstore's Interactive Digital Access Program ("IDAP"). Through this program, you will access your course material digitally, and it will be available to you by the first day of class.

A charge for the digital course material through IDAP will be added to your MyUH account. You have the option to opt-out of receiving your course material through IDAP. By opting-out, you will lose access to the course material and the charge will be refunded on your MyUH account. If you do not opt-out, the charge will stay on your MyUH account. Any unpaid charges on your MyUH account will turn into a hold. Holds on your account will prevent you from accessing various services within the University.

*****IMPORTANT*** If you have any questions about IDAP, especially if you will be opting-out of IDAP (there is a deadline), or this charge to your student account, please contact the UH Bookstore.**

- Please be on time for all classes and be seated before the start of class. While in class you are expected to be respectful of and courtesy to others especially when speaking and while others are speaking. Also, you are expected to act and conduct yourself in the spirit of and in compliance with the UH Student Code of Conduct.

Unexcused Absences	July 1–Aug 8
0 to 2	12 pts
3 to 4	6 pts
4+	0

Connect’s Homework (12) and SmartBook (5) – to keep things simple and to be fair to all students, no make-ups/no extensions except when there is system-wide issue with Connect, which is not likely.

- The purpose for the homework and Smartbook assignments is to allow you the opportunity to review and reinforce your understanding of the various topics covered throughout this course as well as prepare you for the exams. They are worth a substantial portion of your grade (25%+) so it may be very difficult to pass this class without completing all assignments. Also, I strongly recommend that you complete all your online assignments well before the due date because, again, no make-ups/no extensions will be allowed unless there is a system-wide issue with Connect, which is not likely.

Laulima’s Financial Statement Analysis Projects (5) – to keep things simple and to be fair to all students, no make-ups/no extensions except when there is system-wide issue with Laulima, which is not likely.

- The purpose for these assignments is to allow you an opportunity to apply and use various tools financial analysts use to review and analyze Home Depot and McDonald’s financial statements. Also, I strongly recommend that you complete all your online assignments well before the due date because, again, no make-ups/no extensions will be allowed unless there is a system-wide issue with Laulima, which is not likely.

In-Class Exams (3) - to keep things simple and to be fair to all students, no make-ups/no extensions will be allowed unless he/she receives PRIOR approval from the instructor AND provides written documentation supporting his/her request to be excused.

- The purpose for the exams is to allow you an opportunity to apply and reinforce your understanding of the various accounting topics/concepts covered throughout this course.
- All exams are closed-book and NO notes nor electronic devices such as laptop, tablet, mobile phone, etc. are allowed. While taking an exam, you are allowed to use a 10-key hand-held calculator.
- A laptop, tablet, mobile phone, etc. are NOT allowed to be used as a 10-key hand-held calculator.

*****IMPORTANT*** ALL ASSIGNMENTS and YOUR RESPONSES to each are NOT to be shared, copied, photographed, etc. Please fully comply with this very important requirement.**
