I understand it is my responsibility to ensure that I enroll in the appropriate pre-approved courses from my host university for a letter grade and earn the required grades & GPA. I verify that I have discussed how my courses and grades will be reflected on my UHM academic transcript with the Study Abroad Office or UH MIX Office representative. I also understand that any deviation from this plan may have a detrimental impact on my transfer courses and my plans for graduation.

I verify that the student has been informed of the maximum allowable transfer courses to comply with TIM/Shidler residency. Additionally, we have discussed how the courses listed above and the required minimum grade will meet the student's BS-TIM academic pathway.
